Version 4.0 · January 2024 · DP-2024-01

Owner: Finance

This document sets out the maximum permitted discounts that a sales representative may offer without escalating to management for approval. All discounts are expressed as a reduction from the standard list price. Stacking of discounts is permitted within the limits described.

1. Standard Discount Schedule by Deal Size

Deal Size (ACV)	Max Rep-Level Discount
USD 0 to 49,999	5%
USD 50,000 to 149,999	10%
USD 150,000 to 499,999	15%
USD 500,000 to 999,999	18%
USD 1,000,000 and above	Requires VP approval (see Section 3)

These are hard ceilings at the rep level. Offering a discount above the applicable tier without prior written approval is a policy violation reviewed under the Sales Code of Conduct.

2. Regional Adjustments

APAC (Asia-Pacific)

- Enterprise accounts (USD 150,000 ACV and above): Standard tier + 5% additional
- Maximum APAC enterprise discount: 20%
- SMB accounts (below USD 150,000 ACV): No regional adjustment, standard schedule applies

EMEA (Europe, Middle East, Africa)

- Strategic markets (UK, Germany, France, Nordics) enterprise: Standard tier + 3%
- Maximum strategic EMEA discount: 18%

- Rest of EMEA: Standard schedule applies

North America

- No regional adjustment. Standard schedule applies.

LATAM (Latin America)

- All deal sizes: Standard tier + 2% additional

3. Approval Tiers for Above-Policy Discounts

Discount Level	Approver	SLA
Up to rep-level ceiling	Rep self-approve	None
Ceiling + up to 5%	Regional Sales Manager	24 hours
Ceiling + 5 to 10%	VP of Sales	48 hours
Ceiling + 10 to 15%	VP of Sales + CFO	72 hours
Above ceiling + 15%	CEO + CFO	5 business days

All approval requests above rep level submitted via the Salesforce Discount Approval flow. Verbal approvals are not valid. Only approvals recorded in Salesforce are recognised by Finance.

4. Discount Stacking Rules

a) Volume + Regional

Apply the higher of the two applicable discounts — not both additively.

b) Multi-Year Prepay Discount — Additive

Contract Term	Additional Discount
2-year prepay	Up to 5% additional
3-year prepay	Up to 8% additional

c) End-of-Quarter Incentive

Finance may authorise a quarterly pull-forward discount of up to 3% for deals closing in the final two weeks of a fiscal quarter. Finance issues a memo each quarter.

d) Competitive Displacement

An additional 2% is permitted where the prospect provides a copy of the competitor's commercial proposal. Requires Regional Sales Manager sign-off.

Maximum combined discount under any circumstances: 35%. Deals requiring above 35% must be escalated to the CEO.

5. Professional Services Discounts

PS Deal Size	Max Discount
Below USD 25,000	0% — no discount permitted
USD 25,000 to 99,999	5%
USD 100,000 and above	10%

Bundled PS + SaaS deals: each component must comply with its respective discount schedule independently.

6. Renewal Discount Policy

- On-time renewal (30+ days before expiry): Standard schedule applies
- Late renewal (fewer than 30 days before expiry): No discount without VP approval
- Annual uplift: CPI + 3%. Reps may waive the uplift without approval
- Any reduction below prior year's price requires Manager approval

7. Policy Compliance and Audit

Finance conducts a quarterly audit of all closed deals. Deals booked above the applicable ceiling without documented approval will be flagged to the CFO and the rep's manager.

Progressive discipline for repeated violations:

- 1st violation: Formal written warning
- 2nd violation: Discount authority reduced by one tier for 6 months
- 3rd violation: Escalation to HR, potential removal of discount authority
